

# Sri Lanka

**Kosala Sirisena**

With the generous financial support for travel grants from the ISME, 11 microbial ecologists (5 senior faculty members and 6 PhD students) attended the 1<sup>st</sup> Southeast Asian Regional Symposium on Microbial Ecology held in Pokhara, Nepal

Dr. Kosala Sirisena, the ISME Ambassador to Sri Lanka delivered a brief presentation at the Postgraduate Research Symposium of the University of Colombo explaining the role of ISME in supporting the microbial ecology research in Southeast Asia
